

If chosen as a recipient, are you willing to teach in an Ohio Appalachian school two years for each year of received scholarship? _____ Yes _____ No

List 2 people outside your immediate household who will always know how to contact you.

(1)

Name (print) _____

Relationship _____

Address _____

Telephone _____ Email Address _____

(2)

Name (print) _____

Relationship _____

Address _____

Telephone _____ Email Address _____

How did you hear about the Noyce Scholarship program? Check all that apply.

___ Newspaper ___ University Flyer ___ Colleague ___ Faculty Advisor

___ Radio Advertisement ___ Campus e-news ___ Other (specify _____)

Part II - Essay

Name _____

Student I.D. number _____

In this section write a short essay to express your interest and commitment for becoming a mathematics or science teacher in an Ohio Appalachian school district. The essay should be no longer than two (2) double-space pages (font size 12). The essay can be created in a Word document and attached to this section of the application

Part III - Science or Mathematics courses and grades

Name _____

Student's University I.D. number _____

In this section list all science and mathematics courses that you have taken at the college level. Include the department, course number, brief title, university, number of semester or quarter hours, grade received, and date taken. Start with required courses in your major and then add other science and mathematics courses. You should list all courses that you have attempted and completed.

Example of a single course listing:

Dept.	Num.	Name of Course	University	Sem. Hours	Quart. Hours	Grade	QTR/YR
Bio	105	Intro to Plant Bio	O.U.		4	B	F 2009

List of your science and mathematics courses (type in course information)

Dept.	Num.	Name of Course	University	Sem. Hours	Quart. Hours	Grade	QTR/YR
--------------	-------------	-----------------------	-------------------	-----------------------	-------------------------	--------------	---------------

Part IV - Advising and Overall GPA

According to your university advisor, how many years as a fulltime student would be needed for you to obtain your provisional teaching licensure:

_____ less than 1 year _____ 1 year _____ 2 years _____ 3 years

Name of Advisor _____

Advisor's e-mail _____

What is your cumulative GPA for all college work attempted? _____

Part V - References

Provide the following information for three (3) people who are writing letters of recommendation for you. At least two letters of recommendation should come from people who are familiar with your academic skills and one letter can take the form of a character reference. Each letter of recommendation must include the recommendation form provided (Next page.) Please make copies of the *recommendation form* and instruct each of your references to complete this form and attach it to the recommendation letter.

(Reference 1):

Name (print) _____ Job Title _____

Address _____ Telephone _____

Relationship to applicant _____

(Reference 2):

Name (print) _____ Job Title _____

Address _____ Telephone _____

_____ Email Address _____

Relationship to applicant _____

(Reference 3):

Name (print) _____ Job Title _____

Address _____ Telephone _____

_____ Email Address _____

Relationship to applicant _____

**Recommendation Form
NOYCE Teaching Loan/Scholarship Application**

Applicant's Name _____
 Applicant is applying for a Loan/Scholarship in (circle one) **Mathematics Education** or **Science Education**

The applicant has applied for a Noyce Teaching Loan/Scholarship. Successful applicants are provided with loans to assist them in preparing to become science or mathematics teachers. Upon completion of their teacher preparation programs, students may have loans converted to scholarships through teaching service in rural Appalachian communities. The applicant has asked you to recommend him/her for this program.

To be filled out by the person writing the reference.
