### NURSING FACULTY POSITION

#### Nursing Faculty Position

The University of Rio Grande announces the opening of one full-time tenure track nursing faculty position. Position available for Fall Semester

This is an outstanding opportunity for a professional to join a growing university as we expand our academic programs in health care and related fields. Your daily reward will be the personal satisfaction of having a chance to make a difference to yourself, your team, and to a group of students who expect an outstanding education.

Full-time faculty are eligible for a benefits package which includes health, dental, vision, long term disability, life insurance and 401K.

Responsibilities of the position include teaching mental health classes; advising of students; School of Nursing and University Committee work and service as assigned. Teaching assignments may be in the Associate Degree and/or RN-BSN Program.

Must have current active valid Ohio R.N. License (or Ohio-Board eligible); M.S. in Nursing required; Ph.D. in nursing preferred or DNP; mental health experience and prior teaching experience preferred. Must also have two years experience as a registered nurse.

The University of Rio Grande combines a private four-year university with a state-supported community college in a single institution serving rural southeastern Ohio.

Application will be received until the positions are filled. Qualified applicants should send a letter detailing their interest and qualifications, transcripts, as well as a resume including the names and addresses of at least three references to:
