

Fall 2010 Rio 2+2 Wildlife and Fish Courses – Tentative Weekend Lab Schedule

Note: In most instances, students should assume that if inclement weather precludes conducting a lab on the date listed (i.e., a Saturday), the lab may be rescheduled for the next day (i.e., a Sunday). Rescheduling of a lab will be at the professor's discretion.

By course:

- BIO 41303 **LIMNOLOGY** (Hopkins)
September 18 (Saturday)
October 16 (Saturday)
November 6 (Saturday)
- BIO 36303 **LOCAL FLORA** (Althoff)
September 11 (Saturday)
September 25 (Saturday)
October 9 (Saturday)
- BIO 32303 **MAMMALOLOGY** (Althoff) (these are 3 hour morning labs)
October 30/31 (Saturday/Sunday) – student must attend one or the other
November 20/21 (Saturday/Sunday) – student must attend one or the other
- BIO 42303 **HUMAN-WILDLIFE CONFLICTS** (Althoff)
October 23 (Saturday)
November 13 (Saturday)

By date:

- | | |
