OFFICE OF ACCESSIBILITY

Location: J.A. Davis Library, Ground Floor - Suite 08

Hours: Monday through Friday 8 a.m. to 5 p.m.

Office Phone: 740-245-7279 or 740-245-7366

The Office of Accessibility assists students with qualifying documented disabilities in obtaining reasonable accommodations for classroom/academic use and campus life.

Examples of reasonable classroom/academic accommodations include (but are not limited to): extended time for testing, testing in a quiet room, medically excused absences, preferential seating, frequent breaks, use of an audio recording device, etc. Examples of reasonable housing/campus life accommodations include (but are not limited to): private space/room assignment, housing an Emotional Support Animal (ESA), residential room/board waivers, etc. All accommodation plans are tailored to each student's specific needs.

Students wishing to receive reasonable accommodations under the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, and/or the Fair Housing Act must meet the established criteria for having a disability under those acts. They must also complete the process for requesting reasonable accommodations, which includes registering for services and providing the required documentation to establish eligibility.

Students who held IEPs or 504 plans while in K-12 may use those documents to establish eligibility for classroom/academic accommodations. Those without prior documentation and/or those seeking reasonable housing accommodations may have their current medical/mental health provider complete and submit Rio's Disability Verification form to establish eligibility.

Temporary and conditional accommodations are also available to those who meet specific criteria. For more information or to begin the process to request reasonable accommodations, contact the Office of Accessibility at accessibility@rio.edu.

WELLNESS PETS VS ESA'S

An Emotional Support Animal (ESA) is more than a pet—it is prescribed by a licensed healthcare professional to provide emotional support that helps alleviate the symptoms of a person's mental or emotional disability. On a college campus, ESAs may be approved as a reasonable housing accommodation through the college's disability services process, but they are not allowed in classrooms or other public campus spaces unless otherwise permitted by campus policy.

A **pet** is kept primarily for companionship and enjoyment. While pets can provide comfort, they do not have a disability-related accommodation status and are generally subject to the college's standard housing and animal policies.

An **ESA(Emotional Support Animal)** is an approved disability-related housing accommodation, while a pet is a companion animal without accommodation status.

COMMUTER MEALS-POINTS-STORM BUCKS

Points can be added to your ID card by going to Amy Weaver in the Office of Student Life or going to [Storm Bucks](#).

If purchasing points as a student, a new card will need to be obtained from campus police with a magnetic strip on the back that can be used in the Marketplace.

A validated student I.D. card must be presented for all meals. Should an I.D. card be lost, it can be replaced at the Campus Police Office from 8:00 AM - 4:00 PM Monday through Friday. In addition, guests may eat in the Marketplace by paying a cash/door rate per meal.
