Not to decide . . .  
is to decide

VOL. 15 NO. 18

Rio Grande College, Rio Grande, Ohio 45674

MARCH 23, 1973

## Smoke Puffs

## Women's Scholarship

Applications for the Faculty Women's Scholarship are now available in the Office of Student Affairs.

This scholarship is open to ANY Woman student who will be a senior in 1973-74. Please apply on or before April 30, 1973.

## Artist Film

The Artist-Lecture Committee is sponsoring a film for the College Christian Association on campus. The film is entitled "Spiritual Explosion" and describes the vision, purpose and potential world impact of the upcoming International Student Congress on Evangelism. Several persons who attended Explo 72 will be present to share some of their experiences.

The 28 minute color film will be shown at 8 p.m. in the college dining hall on March 28. Everyone is welcome!

## Summer Job

Anyone interested in summer employment may check with the Office for Student Affairs.

There is information concerning summer employment in the 1972 Summer Employment Directory. Also various letters from summer camps have been received. Keep in touch with the Office for Student Affairs since summer job information is coming in periodically.

## Cluster

On Thursday, March 22, 1973, a representative from the Anchor-Hocking Company came to the Rio Grande College campus to interview seniors who have registered in the Office for Student Affairs. Anyone interested may sign up in the Office for Student Affairs either during or immediately after Spring Break.

## Attn. Profs

A professor at California State College is inviting fellow faculty to stay at his 18th Century Summer Villa in the Italian Alps near Lake Como and Switzerland this coming summer. The comfortable villa with servants or the cottage can accommodate a group of family and friends. The rent is reasonable. Faculty may write to Professor Giovanni Previtali, P. O. Box 323, Cotati, California 94928.

## Leith Urges 'Forward To Richmond'

In July of 1861 the following pleas was forced upon an uncertain Abraham Lincoln and a quizzical Winfield Scott: "Forward to Richmond! Forward to Richmond! The Rebel Congress must not be allowed to meet there on the 20th of July! By that date the place must be held by the National Army!" A handsome, but gluttonous (he ate a whole watermelon after a full course meal), commander, Irvin McDowell, was chosen to lead the 35,000 men South. He failed near a stream called Bull Run.

The Rio Grande College History Department is announcing a similar plea for April 13-16, 1973. Mr. Robert Leith, with the assistance of "Mike" Payne, Sam Smith and Bill Smeltzer, has planned a history field trip to peninsular Virginia for the above-mentioned dates. There are currently thirty-six (36) student vacancies left on the school bus.

Who may go? As in times past, Mr. Leith has opened up reservations for his history classes (213, 233, 413, and 483) first. Then he extends an invitation to all persons majoring or minoring in history,

secondly. Thirdly, he allows the student body to seek reservations for the vacancies not filled.

What is to be seen on this field trip?

Our first stop will be Washington and Lee University in Lexington, Virginia, for a lecture on Lee as a college president. After seeing where Lee is buried, we will try to see VMI where "Stonewall" Jackson taught. Then we will look at Woodrow Wilson's boyhood home in Staunton. In Richmond the students will see Hollywood Cemetery (where Monroe, Tyler, and J.E. B. Stuart are buried), St. John's Episcopal Church (to see Patrick Henry's pew), the "White House of the Confederacy," and Richmond's famous Civil War Museum. Also in Richmond, we hope to visit John Marshall's home. After town, Petersburg, Williamsburg, Fortress Monroe, Appomattox Court House, and Natural Bridge. Mr. Leith is currently corresponding with the Naval Base at Norfolk for a tour of a battleship or submarine.

The group will leave at approximately 6 a.m. on Friday,

April 13, and return to Rio late Monday, April 16. Mr. Leith asks that each student pay him \$18.50 for the three day hotel bill. The group will stay in Raleigh Hotel in downtown Richmond and four students of like sex will room together. The Social Sciences Division will provide a predeparture breakfast and "noon sack lunch" whether the student is a resident or commuter. Thus, two of your 12 meals are free of charge.

The student must assume the cost of the other ten (10) meals, self-entertainment, and all souvenirs.

If anyone is interested in going on the tour, contact Mr. Leith not immediately but very immediately! He has to make hotel reservations and arrange other last minute details. When one walks where history was made, he becomes an integral part of it and not just its student!

## WANTED: BLOOD, SWEAT AND VOLUNTEERS

Soon it will be Blood Donor Time. Again assistance is needed in planning and organizing. Help is needed in many areas: publicity, loan of typewriters. Many Rio Grande Social and Service organizations might help in such widely diverse activities as typing, loading or unloading Red Cross equipment, enlisting blood donors, and working with Rio Grande village workers, MLT volunteers, Huntington Red Cross professionals and the Grey Ladies.

If your organization is ready, willing and able, please send one representative to our one and only planning session this Wednesday, March 28th—during Convocation Time — 2:30-3:10 in Allen Hall, Room One.

If you are individually volunteering your help contact Brenda Smith, Joyce Madry, or Mr. Grodin indicating what you are willing to do.

The holding of the Blood Bank on Thursday, April 5th, will enable Rio Grande to again have medical supervision by Dr. Frances B. Shane, and also give students more

free time for the giving of blood.

Our quota this year is 110 units. The need is as great, if not greater than ever before. We are interested in getting as many first-time blood donors as possible. In addition our Rio Grande Community contract expires and achieving the quota will enable the Community to have blood coverage for the third year in a row.

Blood donor qualifications are: minimum of 18 years of age and maximum of 66 years, 110 pound minimum, in good health, not on most medications, and a medical history free of heart and/or liver ailments. The continuing support of all Rio Grande students, as well as the entire staff and faculty is urgently needed. As a group, the largest percentage of donors has been the Dining Hall personnel. Remember, even if you can't personally give blood, you can help by encouraging others to participate or in planning and preparation for Blood Donor Day, Thursday April 5th. Volunteers are needed, welcomed and appreciated.

## MLT Class Is Filled

Dr. Herman L. Koby, Dean of Rio Grande College, today announced that no more applications can be accepted for the next Medical Laboratory Technicians (MLT) class, which will begin in September 1973.

The MLT program is of two

years duration, and is operated cooperatively by Rio Grande College and the Holzer Medical Center of Gallipolis. A person completing the program is awarded the Associate of Science degree by the college, and, following a registry examination, is registered a Medical Laboratory Technician by the American Society of Clinical Pathologists.

All members of the first graduating class recently passed the registry examination with average scores of 120 compared with national average of 112 out of a possible 200 points. Ninety-three points were required to pass the examination.

Ken Myers, Chairman of the Division of Natural Sciences and college director of the program, indicated that the large number of highly qualified applicants has forced early closure of applications.

## Students 'Relax' on Andros

Twenty-five Rio Grande College students and four instructors participated in an ecology workshop on the Andros Island in the Bahamas from March 9 through March 18.

Dr. Bruce Curtis, physical education, Tom Osborne, biology,

## State of Campus Will Be Delivered

Students will be brought up to date on current activities of the Student Senate at a convocation meeting Wednesday afternoon in the cafeteria.

According to Senate President Doug Fields the meeting is part of a new emphasis by the Senate on improving communication between students and their Student Government. In addition to reporting on progress of specific projects undertaken by the Senate in recent weeks, Fields and vice-president Dunfee hope to explain the purpose and general functions of the Student Senate.

Students will hear reports on recent efforts to secure a student gathering place, and on plans to remodel the Student Center. Fields and Dunfee will report on the recent National Student Lobby Convention in Washington and discuss the present status of the college Cluster Group.

Fields also hopes to acquaint students with several important Student Committees, including the Student Handbook, Visitation, and Housing Committees.

Joe Jacques, Scuba Diving, Dive master, Brad Krings, IFS representative will instruct the group. International Field Studies (IFS), a non-profit organization, completed the operational planning for the workshop. IFS has conducted similar trips to the islands for Ohio State and Capitol Universities.

Activities included skin diving and scuba diving around the second largest coral reef in the world. Study of the reef and the island—Andros Island—were combined with practical camping experience.

The course and the summer Wilderness Canoe Outdoor Workshop, which Rio Grande offers, are two examples of Rio Grande College's efforts to expose students to education in natural surroundings.

it's really going to happen  
rio's theatre department is gonna get it on. no, it's not a play;  
believe it or not

—it's a MOVIE!!—

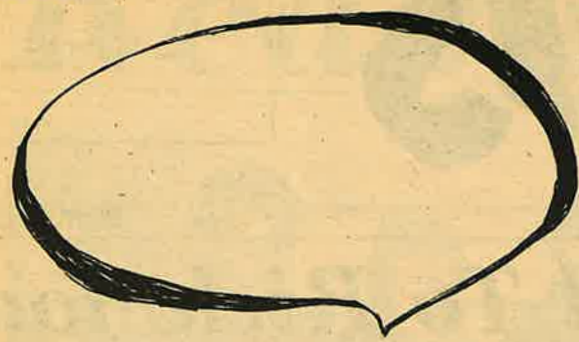

The script's almost written, locations for shooting the film  
have been selected and the equipment for filming is on its way.

TRYOUTS for the cast will be WEDNESDAY, MARCH 28  
from 10 a.m. - 10 p.m. in community hall. They will be open to  
the Students, Faculty, and the community.

so, if you think "you oughta be in pictures", watch and listen  
for details.

it should really be educational as well as entertaining and  
quite an experience for everyone.

*it often shows  
a fine command of  
language  
to say nothing.*

### Wisdom's Edge

#### Brains Are Necessary

Why why why why why why meeeeeeeeeee????

Everybody is always asking me to do something. To give money, to attend protest meetings, to be concerned about air pollution, the poor, the sick.

Everybody wants me to be more disciplined, to give more of my time to the church, to be more involved. I always say "Thanks, but NO THANKS."

Of course, it could be worse. I've heard of some churches right after the Reformation that had very strict rules and regulations which had to be met before you could even join. And I guess there are some churches today that are doing this again.

I heard of one church that required all of its members to give a certain percentage of their salaries to the church. And everyone was required to be involved in some group or other working to help the sick or poor. Wow, that's not for me! I want to be free!!!

The worst thing I've ever heard was that one church would actually involve itself in the way its members lived. If the church felt a member was openly doing something seriously sinful (like a husband being unfaithful to his wife, or a man refusing to hire Blacks in his company) they would actually go to the person and tell him his actions weren't Christian! And if he wouldn't stop and repent, they might even kick him out of the church! They claimed such a person was dishonoring Christianity.

Now that's too much! The church should just leave its members alone, I think. No one should join a church which tries to change the way he is. I don't think a person has to live a certain way to be a Christian. And the church has NO business telling me what to do.

I don't have to be involved in anything if I don't want to. I can be a Christian all by myself!! I don't need the church; I don't need other people. Just me me me me me me me me me me.

OH??????

S. Deem

## Student Senate Meets

The regular meeting of Rio Grande College Student Senate was held Tuesday, March 20, 1973 at 9:35 p.m. Senator Bickerstaff was absent. Treasurers report found \$178.26 in checking and \$538.26 in savings.

Under old business, Senator Lee stated that the location of the Student Gathering Place has been tentatively resolved.

Senator Dunfee discussed the results of the Visitation Weekend. The results were: 34 for Brothers and Sisters and 31 for Family. A discussion was held and Senator Fletcher moved that a committee be formed to plan the family weekend. Senator Weston seconded the motion and a call roll vote passed it unanimously. Senator Dunfee and Senator Finch volunteered to be part of this committee.

Senator Black, chairman of the election committee recommended that No. 2 of the Queen Petition be abolished and No. 5 be amended to be a full time student at Rio Grande College. Senator Tedeschi moved that the Senate accept the proposal. Senator Simonelli seconded the motion and a roll call vote passed it unanimously.

The Student Committee gave their reports. Senator Lee discussed Mr. Riegel's petition of expanding the Student Judiciary. Senator Lee stated that Mr. Riegel has no grounds for a grievance according to the constitution. Senator Dunfee stated that the Academic Affairs Committee has not met. Senator Finch discussed the Student Loan Committee which is going very well.

The State of the Campus Address has been changed to Wednesday,

March 28th, 1973 during afternoon convocation. Many topics will be discussed and the Student Senate urges all students to attend.

Senator Dunfee discussed the possibility of allocating money to the Debate Fund for the Speech Tournament, mainly for trophies. Senator Harootian moved that \$36.50 be allocated to the Debate Fund for trophies for the Speech Tournament this weekend. Senator Willey seconded the motion and a roll call vote passed it unanimously.

Senator Fletcher discussed the lack of communication between the branches of the Student Government. The Student Senate suggests that if branches of Student Government or Activities does not already have a student representative on the Senate itself; that the Senate would appreciate them sending a representative to the Senate meetings.

Senator Lee questioned about the Senate newsletter which will contain Senate business concerning the Students. Senator Harootian will go over the details with the Signals chairman to see if this newsletter is possible.

Senator Fletcher discussed the possibility of an additional speech professor for next semester. She will talk to Sam Smith for more details.

Senator Simonelli moved to adjourn. Senator Finch seconded the motion and the meeting adjourned at 10:30 p.m.

The next Senate meeting will be held Tuesday, March 27, 1973 at 9:30 p.m. THE STUDENT SENATE MEETINGS ARE OPEN TO ANY STUDENTS.

## Off-Campus Housing Policy

The student Handbook Committee will meet this spring to review the Off-Campus Housing policy. The Student Handbook Committee is composed of three students, their faculty members, and Dr. Evans. The policy developed will go into effect during summer school.

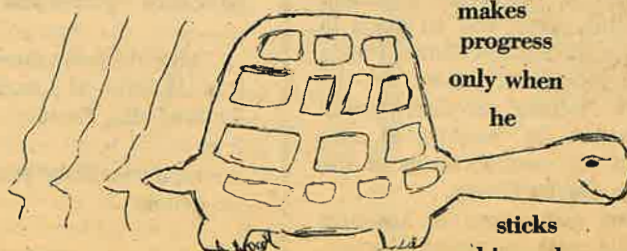

During the past school year, students have been permitted to live off campus and attend classes while they attempted to qualify for off-campus housing. This arrangement has not worked satisfactorily; therefore, students who plan to live off campus must make arrangements before they register for the school term.

Students should attempt to qualify long before the school term begins because quite often the medical excuse is not accepted by the Rio Grande College physician. Students will not be permitted to attend classes until they have qualified to live off campus prior to registration.

Medical excuses will not be considered unless the physician clearly states the physical impairment which is the basis for the medical exemption. Quite often physicians will merely advise the student to live off campus for no apparent reason. Students may be referred to the Rio Grande College physician for a final examination.

Behold  
the turtle

makes  
progress  
only when  
he

sticks  
his neck  
out.

Cecil Parker

## Thanks

I want to thank all my friends for their flowers, cards, and visits while I was in the hospital. A special thanks to Mrs. Ross, Mrs. Moler and Zeta Theta Chi for all their help.

Patty Hayes

## Rio Grande? Isn't that a river?

Editor,

Having a class in L. C. 203 reminds the student of those insufferable days he spent in Education 303a, 303b and all of those other "courses".

While contemplating before class, I was reminded all too well of what seemed and in fact is a massive attempt, by our education staff, to instill knowledge of how to teach a child.

After spending a summer with teachers and future teachers discussing the dilemma of education here, they were astounded by the conglomeration of paper work of a student of Rio Grande College. It was their opinion and opinions of graduates from this institution that those complicated and time consuming assignments were not worth the time or energy. More time, believed by many EDUCATORS, should be spent in the classroom observing. A picture, or in this case an EXPERIENCE, is worth one hundred position papers, fifty term papers, and twenty out-side readings, not to mention those absurd behavioral objectives.

In closing I must admit that those who told us that Rio Grande has the best education department of any other institution in this state or any other is either naive or takes the student for a total fool. In many cases most people have never heard of Rio Grande College, much less the education department.

E. Clark Gregg

## Job Available

Editor,

I have a full time clerical position open for any student who would be interested in working from 12 midnight to 8 a. m. If you are interested please contact me at your earliest convenience.

Clyde Evans  
Vice President for  
Student Affairs

## Bricks For Ecology

If Wickliffe's Environmental Commission chairman, Lyle Stusek, has his way, the city may have a brick in the tank of every toilet. Said Stusek, "The brick will displace about one quart of water representing a saving of one quart of water every time the toilet is flushed." If placed in all the toilets of the city's 5,500 homes, 55,000 gallons of pure water may be saved daily in Wickliffe.

# Youth Criticizes

NEW YORK — In a statement issued today, the Youth Committee for Peace and Democracy in the Middle East announced the launching of a major effort to combat a "rising tide of left-wing anti-semitism on America's campuses".

The Youth Committee, a national organization dedicated to rallying support for a just and lasting peace in the Middle East, has been singled out for criticism by the Young Socialist Alliance (YSA), a Trotskyite-Communist organization affiliated with the Communist Worker's Party (SWP). David Kapilow, executive secretary of the Youth Committee, said that, "The YSA calls for the annihilation of the Zionist state" but mentions what the concrete results of such action would be. "Arabs, regardless of whether they are conservative or revolutionary" are clear on this — genocide will be committed against the Israeli nation. If the Nazi holocaust is repeated in the Middle East, the Arabs will share in the responsibility."

Lawrence Gulotta, New York director of the Youth Committee, pointed out that The Militant, the official newspaper of the SWP, has opened its pages to "anti-semitic diatribes of terrorist groups. One such group, the Palestinian Liberation Organization, has gone so far as to plan an attack on Jews of all ages."

Gulotta stated that the most outrageous manifestation of the

YSA line was in response to the massacre at the Olympic games, an event of such bestiality that even a few Arab nations were embarrassed at the public protest. The YSA labelled this outcry as a "hypocritical roar of indignation" whose purpose really was "to make the criminal look like the victim" and the massacre itself as merely a mistake in tactics.

The Youth Committee, whose sponsors include national officers of the Young Democratic Clubs of America, the NAACP, the Congress of Italian-American Organizations, the United States Youth Council, Frontlash, Student Struggle for Soviet Jewry, the National Council of YMCA the Young People's Socialist League and other liberal and religious groups, is planning a vigorous campaign to expose left-wing anti-semitism. In New York, Boston, Los Angeles, Detroit, Chicago and Washington, D. C., local Youth Committee chapters have carried on this project.

At Wayne State University in Detroit, the Youth Committee has organized a protest campaign against the university newspaper, the "South End," whose staff recently printed anti-Israeli articles with a swastika superimposed over the Star of David.

Gulotta indicated that the Youth Committee will expand its activities against left-wing anti-semitism by waging grass roots effort in the youth community to challenge the legitimacy of the groups that propagate anti-Israel and anti-Semitic views.

All Sophomores are urged to attend a meeting concerning an upcoming ELECTION PARTY. The meeting will be held in the cafeteria during morning convocation, April 4.

Petitions for positions on the council of the class of '75 will be distributed at the meeting. Further details will be available at that time.

Anyone interested in the planning phase of the party contact Dr. Hart, Mike Wood or Nancy Myers.

## Writers Workshop

The Ohio Arts Council reminds potential applicants to the Writer's Workshop that the deadline for receipt of application materials is Saturday, March 24. The Workshop is being held June 20-23 at Bergamo Center, 4435 East Patterson Road, Dayton.

Writers of all backgrounds and ages will have the chance to work with the six experienced authors serving as the workshop's faculty: William Stafford, poet; Larry King, journalist; John Gardner, novelist; Harry Mark Petrakis, novelist and short story writer; Julius Lester, journalist; and Robert Canzoneri, short story writer.

Cost of the four-day workshop is \$90 — \$65 for room and board at Bergamo Center, and \$25 for workshop tuition. Room and board at Bergamo includes hotel-like accommodations, three meals and two snacks daily, and complete recreation facilities on the 245-acre wooded site 5½ miles southeast of Dayton.

Evening activities planned for the workshop include readings by the guest writers from their own works, and a bill of original one-acts by Ohio playwrights. These events will also be open to the public for a \$1 admission charge.

The workshop will conclude with an awards luncheon on Saturday, June 23. The guest writers will present small cash awards for the best writing in each category.

Admissions are not restricted to Ohio residents. Those interested in applying should send their name, address and telephone number, two examples of their own recent writing, and a stamped self-addressed envelope to Ms. Barbara J. Benham, 1515 Wesleyan Road, Dayton, Ohio 45406. Deadline for receipt of application materials is March 24. Notices of acceptance will be mailed during the first week in April.

All students who are interested should apply to the Office for Student Affairs.

# Area Concerts

By Debbie Latham

Each week following, the Signals will provide the students of Rio Grande College with the notice of major concerts within the major nearby cities.

March 30—8:00, Kris Kristoferson and Rita Coolidge, \$5 advance, \$6 at door, Ohio Theatre, Columbus-x

April 2—8:30 Jeff Beck, \$5 advance. Vets Memorial-Columbus.

April 3 — 8:15, Wishbone Ash with Venigar Joe. \$3.50, The Agora-Columbus.

April 6 — 8:30, The Almond Brothers, \$5 advance, \$6 at the door. Charleston Civic Center.

April 8 —8, The Beach Boys and Dobie Brothers, French Field House, Ohio State.

April 11 — 8, Procoe Darum, \$4.50 advance, Ohio Theatre.

April 14 — 8:30, Betta Midler \$6, \$5, \$4, Veterans Memorial-Columbus.

April 15 — 8:30, Manavishnu and John McLaughlin \$4.50 advance. Veterans Memorial, Columbus.

April 17 — 8:15, Canned Heat, The Agora, Columbus. \$3.50 advance.

Friday, 8, Grass Roots, Memorial Field House \$3 advance, \$4 at the door, Charleston-xx

x-Tickets for Columbus Concerts available at the following places: Central Ticket Office and out of town agencies, Sears Stores, Pearl Alley Discs., Neil House, Cochran Pharmacies, State Savings, Lee Ross Cleaners.

xx-Obtain ticket information from West Virginia at the following places: Charleston Civic Center, Memorial Field House, Huntington.

## Student Jobs

### AVAILABLE IN EUROPE

Any student planning a trip to Europe a temporary paying job in Austria, Switzerland, France or other country could be the answer to lower purchasing power in the U. S. dollar. Recently raised prices in Europe will not only offset any loss in dollar value, but a few weeks work at a resort, hotel or restaurant job providing wages and free room and board will actually pay for the youth fare air and provide leftover cash for traveling around Europe. Temporary paying student jobs are available to any student willing to go in order to see Europe.

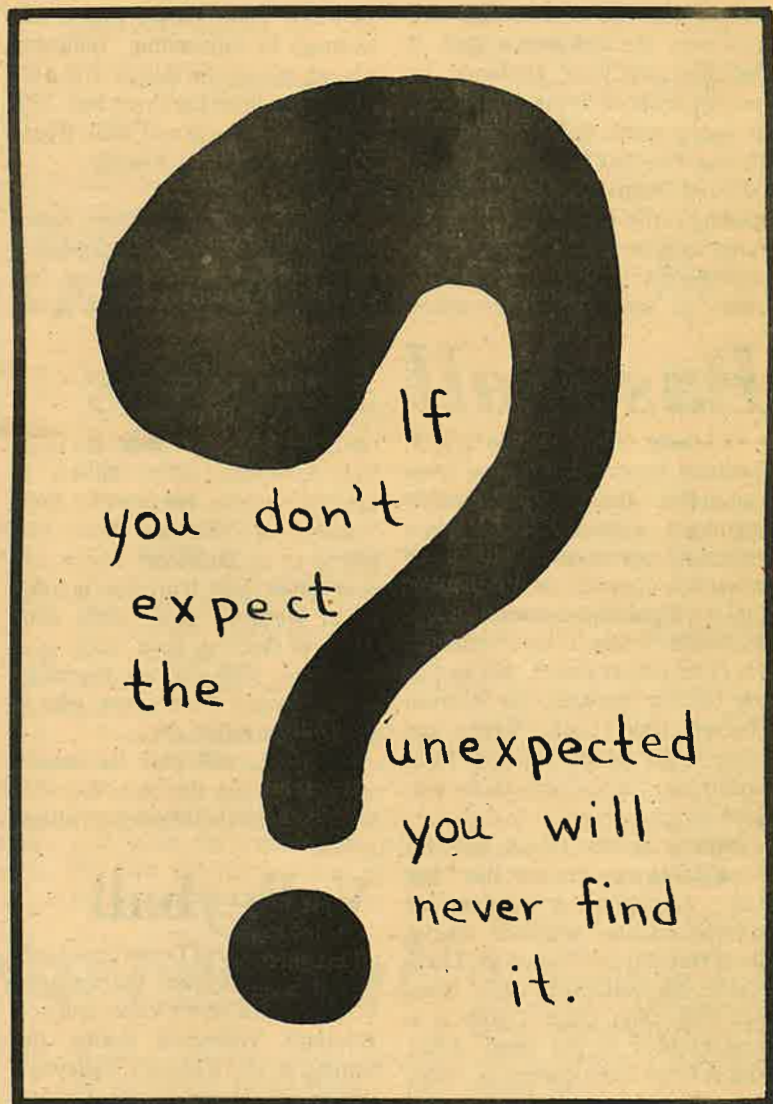

Best jobs are in Austria, Switzerland, France and Germany in categories as resort, hotel, restaurant, hospital and farm. Jobs are also available in offices, offices and shops. Standard wages are always paid, room and board are arranged in advance and provided free of charge with most jobs. The Student Overseas Services (SOS), a European student organization that has been helping students for the past 15 years, will obtain a work permit, visa, and any necessary working papers required for any college student applies early enough. SOS also provides a job orientation in Europe before going to your job.

Application forms, job listings and descriptions, and the SOS Handbook on earning a trip to Europe may be obtained by sending your name, address, educational institution, and \$1 (for addressing, handling, printing, and postage) to Placement Office, SOS, Box 5173, Santa Barbara, Calif. 93108. Inquiries and applications for paying jobs in Europe should be sent early enough to allow SOS ample time to process the papers.

## R. A. Positions To Be Filled

Four resident assistant positions will be filled for the first term of the 1973-74 school year. These positions will be open to all student applicants who are eligible. Four students are currently serving as resident assistant interns for these positions. Resident assistant interns are not assured of these positions, but their experience quite often is construed as an advantage during the selection process.

There is a possibility that two or more resident intern positions (both men and women) will need to be filled. Applicants who are not hired as resident assistants will be considered for resident assistant internship.

## Financial Aid News

### HOLD \$2,5000

The Ohio legislation raising the loan limit to \$2,500 per academic year is about halfway through the mill. It's likely the Senate will steer it through by the end of March.

In the meantime, schools and lenders should encourage students to settle the family income versus the loan amount this spring, so that loan applications do not gather mold in FAO offices next summer, awaiting the arrival of family income evaluations. At the present time, we hear it's taking about 6 weeks for the PCS evaluations to go through the machines and arrive at the school. Last summer some people thought the delay involved the guarantee agency —

that assumption was wrong and if the length of income processing raises the question again this summer, we might need some bare-knuckle explanations to get the point across.

### LOAN VOLUME

Last March OSLC guaranteed 1,053 new loans worth \$1,063,515.03. During the period March 1-15, this year, we guaranteed 54 loans. The volume will crawl higher as the new processing time is digested and the paper-work reduced, but this coming summer will be a real doozy — with the college aid picture being hazy this late in the year. When confusion prevails, one is tempted to invoke the old horse cavalry motto, "When in doubt Charge!"

# Redman Sports

## Boggs Sums Up Basketball

By RON BOGGS

The basketball season is now over for the Rio Grande Redmen, as for almost every college team in the country. The Redmen dropped the opening game of the District 22 Tournament to powerful Defiance, who nipped the Redmen 101-95.

Despite the loss, the Mid-Ohio Conference champions put on the best demonstration of team effort that I have seen them put on during the past two years. They are to be congratulated on what had to be their best game of the season, despite their numerous turnovers.

If the team effort shown that night can be carried over into next season, then Rio Grande may well take over the top-seeded spot of Defiance next year. Defiance, by the way, went on to win the District 22 tournament and to travel to Kansas City. At Kansas City, the Defiance team easily won their opening game, but lost their second game by a mere three points to, I believe, Assumption College, which is one of the top-ranked

colleges in the entire country.

Ken Richardson of Ohio Dominican dominated the final Mid-Ohio Conference basketball statistics, as he was the league's leading scorer (23.6 average), leading rebounder (16.6 average), and second in field goal shooting (58.1 pct.).

Tony Vance of Urbana was the leading field goal shooter, hitting 66.7 pct. of his shots while Rick Watson of Cedarville was the leading free throw shooter, hitting 88.4 pct. of his foul shots. For Rio Grande, Ron Lambert was the league's second leading scorer with a 21.8 average, while Dan Bollinger placed tenth with a 13.9 average in rebounding, Bollinger placed third in the league with a 9.7 average, while Lambert was fifth with a 9.2 average and Mike Rouse seventh with a 7.5 average.

In field goal percentage, Lambert was the only Redmen player to crash the top ten, taking the sixth spot by hitting 50.9 pct. of his

shots. Four Redmen players made it into the league's top ten free throw percentage leaders. Dale Thompson leads the way, capturing fourth place in the league with 77.5 pct. Steve Bartram holds fifth place with 76.3 pct. and Mike Rouse has sixth place with 75.5 pct. Ron Lambert finished in eighth place, sporting a 73.9 and thus making it in the top ten of all four categories.

## Popular Demand Brings Car Rally

A car rally will again be sponsored by the Intramural Department on Saturday, March 31. The Road Rally is set to begin at 1 p. m. at Lyne Center at which time each car will be sent out over a 50-mile course of fun and enjoyment. The objective for each team of drivers is not to speed through the course; but, instead, average a specific M.P.H. between check points. The course will certainly challenge both mental and physical parts of your body, plus a little added challenge in the area called emotions! Register now at the Intramural Office. Registration will only be acceptable by teams while a team shall consist of a driver and a navigator. Also, the team may comprise of two females, two males or one female and one male.

A \$1 registration fee will be required from each team. This fee will contribute toward refreshments following the event. Deadline for registration will be Wednesday, March 28.

## Bugs Are Insecticides

With the increasing reliance on the "natural" way of doing things, it might be handy to know how to prevent poisoning of the air and ground by insecticides.

Do you hate the thought of using insecticides and yet would like to do something to keep insects and bugs away? Give some thought to organic gardening.

Grow chives, parsley and garlic around flowers, especially roses, to keep bugs away.

Grow nasturtiums and marigolds next to tomato plants to keep tomato-loving bugs and insects away.

Grow coriander next to doorways to keep flies away. Coriander is a delicious herb much used in authentic Chinese and Mexican dishes. Use it in salads and interchangeably with parsley and other dishes.

Break open cigarette butts and mix the nicotine with water. Spread the mixture directly on soil to keep beetles away.

## WOMEN'S INTERCOLLEGIATE SOFTBALL BEGINS

The Women's Intercollegiate Softball team, coached by Miss Diane Lewis, began practice on March 19. Members of the team include Brenda White, Sharon Vannoy, Diane Slawter, Janice Wasek, Karyn Williams, Chic Penn, Becky Anderson, Pam Doughitt, Clare Fletcher, Deb LaDuca, Marcine Early, Sandy Hunter, Deb Vulgamore and Angie Poole.

Miss Lewis commented that the team looked good. However, the team is still in need of infield

players and fast pitchers. Any who is interested should contact Miss Lewis.

There are three home games scheduled, the first one with Ohio University on Wednesday, April 2 at four o'clock. With this announcement of the home games the team hopefully anticipates a good turnout.

The first game of the season is against Wright State on March 31. The team would appreciate as much support as possible. Let's help 'em out.

## Ends Season 13-13

The Rio Grande Redmen placed six men in double figures but fell to the Defiance Yellowjackets for the second straight year in the District 22 semi-finals at Defiance College by a score of 101-95.

The Redmen, the Mid-Ohio Conference champions for 1972-73, battled back three times during the game in an effort to upset the Yellowjackets, who are 23-4 overall and the Hoosier-Buckeye Conference kings. Rio Grande ended the season with a 13-13 mark.

Rio Grande turned the ball over four times in the first minute of play and was down 6-0 less than a minute into the game. The Redmen plagued by turnovers in the first half closed the score to one point at the half 41-40, on the scoring of Steve Bartram and Dan Bollinger. Bartram scored 10 and Bollinger 8 in the first twenty minutes of the game. Captain Ron Lambert was limited to just six points in the first half when he got in foul trouble.

Rio Grande stormed out in the second half to take a quick 44-41 advantage before Defiance tallied 13 straight points which gave Coach Marv Hohenberger's Yellowjackets a ten point advantage.

Rio Grande made one last run at Defiance with two minutes remaining on the shooting of Ron Lambert, who hit for 17 points in the second half. Defiance held onto the ball and forced the Redmen to foul to wrap up the victory and a spot in the championship game of the NAIA District 22 Playoffs.

against Bluffton College, who lost to Malone. The winner of the District 22 tournament advanced to the NAIA National Tournament at Kansas City, Missouri.

Rio Grande, who will have members of the varsity return next fall, had six men in double figures led by Ron Lambert. Dan Bollinger finished with 14, Mike Rouse had 14, Steve Bartram 13, and Doug Hart and Dan Fausnaugh came off the bench with 12 and 11 points respectively.

Defiance, who won the game, had a big lead in the first half. The free throw line, had big numbers from Rick Perz with 31 points. Bruce Baer fouled out of the game with 20 points, Chuck Nafziger 19 and Ken Bush was held to 11.

Rio Grande head coach Lanham missed his fourth game since injuring his back. Lanham had been released from the hospital but was under orders from the doctor not to make the trip to Defiance. Assistant Coach Norm Persin handled the team. Lanham's absence and won the game and lost two.

## Space - Space

It has been a subject of concern that all newspapers have space fillers. The problem has always been to find something worth reading in empty spaces.

## Baseball Begins

The roster of the 1973 Rio Grande Redmen baseball team has been completed. The team has twenty members, eleven of whom are returning lettermen. The squad consists of two seniors, four juniors, eight sophomores, and six freshmen. Senior Norm Persin will serve as player-coach, playing at the catcher position. He is from Warren, Ohio. Craig Myers, the other senior on the squad, is from Coshocton, Ohio. Craig is an outfielder.

Juniors on the squad includes First Baseman - Pitcher Jim "Big Kid" Johnston, a product of Marion, Ohio. Pitcher Steve Slaughter is from Coshocton. Chris Staten, an outfielder, hails from Oak Hill, Ohio. John Tipton is a new member of the team. John, who is from Clay Township, Ohio, is a second baseman.

A huge bulk of the team members are sophomores. Dale Thompson heads the list. Dale, a native of Chillicothe, Ohio, was elected to captain this year's team, and will be holding down third base. John Dudek, from Beverly, N. J., will play the outfield, as will Stan Redd of Warren, Ohio. Dave Swann, Rick Van Matre, and Larry Young are all pitchers for the squad. Dave is from Jackson, Ohio, while Rick is from Middleport, and Larry is from Lynchburg. Dan Bollinger will be a newcomer to the squad. Dan, a first baseman, is from Zanesville, Ohio. Also new to the squad is Jeff Lenigar, a transfer from Ohio University. Jeff, a pitcher, is from Chauncey, Ohio.

The other newcomers are the six freshmen who made the squad.

Outfielder Mike Lewis is from Belpre, Ohio. Dave Miller, a catcher, is from Nelsonville. Rick Roberts of Athalia, Ohio, will rotate as an outfielder and a pitcher. Mike Rose, a pitcher, is from South Webster, Ohio, while Scot Soper of Geneva, New York, is a shortstop. Also playing shortstop will be Danny Wisecarver, who is from Adamsville, Ohio.

The team will play its season opener at home this Saturday at 1 p. m. against the Marietta College J.V.'s.

## Volleyball

The Intramural Department will begin round-robin tournament action in both Men's Volleyball and Women's Volleyball during the coming week. Women's Volleyball teams are slated to meet every Wednesday evening at 9 p. m. at Lyne Center, beginning Wednesday, March 28. The four tournament teams will utilize two courts. The Women's Tournament should extend three Wednesdays, then, the top two teams will play off a best of three game series. Awards will be given to members of the first place team and runner-ups. Be responsible to watch for the tournament schedule which will be posted at Lyne Center this week.

The Men's Volleyball Tournament will consist of six entered teams. This competition will fall every Tuesday evening and will begin at 8 p. m., March 27. The competition will last approximately four weeks. Awards will be given to the first place team and runner-ups.
