Cancellation

Rio Grande's Invitational Forensic Tournament scheduled for November 10 and 11 will be rescheduled. John Graham, Tournament Director, for Rio Grande College, said the tournament should be rescheduled during the spring.

Trustees

In an effort to bring better communication between students and trustees of Rio Grande College, the Board of Trustees will be on campus November 16th for informal discussions with students. This discussion is scheduled for November 16th at 7:30 p. m. in the cafeteria. The meeting will be on an informal group discussion basis. This is an excellent opportunity to meet the trustees and express any ideas you may have concerning the college. Effective communication is an evident obstacle between students and trustees. An informal gathering can prove very beneficial to both students and trustees. These people are very willing to listen if you are willing to speak your mind.

Post Office

Thursday, November 2, the Student Senate passed the following resolution: Whereas the College Post Office is in operation for the service of the student and faculty of this college, and whereas the present Saturday hours are not meeting the needs and desires of the students and faculty. Therefore, be it hereby resolved by the Rio Grande College Student Senate that the College Post Office Saturday hours should be changed from 11:00 a. m. to 2:00 p. m.

Constitution

The new Constitution of the Student Body Administrative Council passed on October 26th with the exception of Article II Section 8, 15, which deals with paying the Student Senate President \$500.00 per semester from the college; and Article IV, Section 8, which says, "There shall be made provisions on the ballot of write-in-candidates. The eleven Student Senate candidates receiving the most votes shall be considered elected."

sounds to produce sounds of today with their own peculiar twist.

The group used mostly their own material trying to develop their identity. They have recently performed at Ohio State, Penn State, and in various colleges and universities in West Virginia. The group is heading for Georgia, touring the south.

Rio Grande students gave a standing ovation and called for three encores from the Youngstown group. This seems to have been the most well received group that has been to Rio.

L.A.W. stirred the crowd to feel for the person beside you, to care enough to drop pretenses and tell a person your feelings about another. L.A.W.'s basic appeal is the group is not afraid to show its feelings and not afraid to let someone show theirs.

Students Start Campus Radio WXAN

By Dwight Shumway

Tune your FM dial to 88 between 6 p. m. and 1 a. m. and you may hear the sweet sounds of Rio Grande's only radio voice. WXAN an unofficial "public service" station, joined the airwaves Friday with a program of music and musical comment aimed at listeners in Rio radio land.

The "station" is the work of Dave Coffman, Brad Krings, and Champe Butler. The three pooled

their equipment and know-how in an attempt to ease what they see as a shortage of desirable local commercial programming. They broadcast continuous rock and pop music for seven hours each night, breaking only for periodic station identification and occasional Greek football reports.

WXAN's broadcasting equipment consists of one wireless FM microphone donated by Mr. Ross, two tape players, a record player

and a radio monitor. A loop of wire on the roof serves as a transmitter antenna, since the "real" antenna atop Holzer Hall "isn't connected right now." The "studio," located in 109 Holzer, is stocked with tapes and records which provide about 200 hours of radio listening pleasure.

According to Butler, WXAN's listening pleasure extends to "the basketball court behind the library". Right now "radio land" means mainly Holzer, Boyd, and Moulton dormitories, but the station managers would like to bring all of the campus within

broadcasting range by moving to a more central location and perhaps looping the grounds with a wire antenna. Since operation would continue at a power of less than one watt, the station would not be subject to government regulation. Butler remarked that carpeting and acoustical ceiling would be highly desirable fixtures in a new studio.

With Mr. Ross's help, WXAN plans to petition the college for official recognition. In the meantime, happy (unofficial) listening.

Gallia County Election

By Lloyd Brewton

Jim Saunders as Sheriff.

The highlight of the local elections for Rio Grande students is the outcome of the State Representative spot between John E. Halliday and Oakley Collins. Halliday, member of Rio Grande College's board of trustees, lost to Collins in the race. Members of the Halliday campaign are waiting for the official count, before they ask for a re-count. Unofficial reports indicate that Collins won over Halliday by a vote showing 20,719 to Halliday's 20,603 votes received. As of press time, the Signals office hadn't heard anything about the official outcome. In the Gallia county elections, Republicans ran away with all of the available offices except that of the Ohio General Assembly spot, which went Democratic. Sam Smith, chairman of the Social Science Division, noted that, "It's the first time the Ohio legislature has gone Democratic in mid-term." Elsewhere in the local elections, Marjorie Rinehart won position for Clerk of Courts. Clarence Miller defeated Professor Bob Whealey for the Congress spot by 81,000 votes. Joe Stewart was voted in as County Commissioner and

Ray No. 1

Mr. Robert (Ray) Roberts was voted "Employee of the Year" by the students in an election Friday, Nov. 3rd.

Mr. Roberts, who has been on the staff since 1966, is a "general-all-around-janitor" for the cafeteria. His official title is "Director of Housekeeping." "He is conscientious and enthusiastic about his job," says Mr. Robert Hoff, Food Service Manager.

The title of "Employee of the Year" was awarded this year for the first time. The purpose was to interest the cafeteria workers in being more conscientious about their jobs and their attitudes towards the students. By letting the students select the employee they consider most deserving of the title, Mr. Hoff hopes that they will become more interested in the college employees as people.

Mr. Hoff and the students feel that both Mr. Roberts and the other nominee, Dorothy Higley, were well-qualified and deserving of the honor and they congratulate the winner.

Miss Ruth Thomas, shown here raking leaves, was helping with the leaf rake sponsored by her Advanced Composition class.

Students, faculty and administrators helped with the project Wednesday at 3:15 in front of Community Hall.

Residents Accept Positions

Fifty-three residents of the Rio Grande Community College district have accepted positions on the Citizens Advisory Committee it was announced today by the committee co-chairman, Mrs. Tom De Lay of Jackson and Mr. Jack Carsey of Pomeroy. The citizens represent fourteen school districts of Vinton, Meigs, Gallia and Jackson counties, the co-chairman said.

Members of the committee met at Rio Grande in October to formally organize into four subcommittees covering post-secondary education program needs, finance, physical resources and background and characteristics of the district.

Dr. Raymond Young, of the Arthur D. Little Company of Cambridge, Mass., who has been employed by the trustees of the Rio Grande Community College to study the district and prepare the formal plan, was introduced to the group. Dr. Young explained the "Community College Concept" and duties of the committees.

The fifty-three members and subcommittee chairman are: Post-

Students Present Circus

Thursday, November 2, 1972, the Student Senate, Interfraternity Council, and the Student Activities Committee brought the Royal Hanneford Circus to Rio Grande.

Appearing in Lyne Center, the circus included juggling acts, elephants, tigers and many other "fabulous and spectacular" acts. The main attraction, however, appeared to be a well-known fairy tale character — Cinderella.

Following a parade of characters such as the fairy godmother, the ugly stepsisters, the royal elephants and friends — including Prince Charming, Cinderella rode in sitting high on a white horse. She ascended a rope and hung from it

— supported only by her teeth. Spinning on the rope, with the lights dimmed, she presented an awesome sight.

Among other fascinating performances were a clown who amused the children by clumsily attempting to walk a tightrope, and two "gorillas" who "escaped" into the audience, pulling and tugging at people, until they were finally lured back into the ring.

Perhaps the most amusing part of the circus was, in the opinion of many students, the dog talent exhibition. Several dogs, dressed

in costumes such as bride and groom and spanish senorita danced across the floor on two legs, to appropriate music.

Many other attractions caught the attention of the spectators. The audience consisted of about 800 students, faculty, and townspeople. Also among the crowd were children from the children's home, brought by members of Alpha Sigma Phi.

Members of Archon helped with the rigging and construction of the circus.

Appalachian Culture Program

According to Mr. Snuffer, instructor of Appalachian Culture Course, a unique program on music from the Appalachian culture will be presented at 6:30 p.m. Monday at Room 112, Anniversary Hall, by three Meigs County students.

Students involved in the presentation are Mrs. Harold Lohse, Pomeroy, who will serve as narrator for the approximate two hour program; Mrs. James Sheets, Harrisonville area, who will play the dulcimer and present vocally, and folk songs familiar to Appalachian culture, and Kenneth Scites, Pomeroy Route 2, who will join Mrs. Sheets for vocal duets on some of the Appalachian culture music.

Students are invited to attend the program being presented by the three students and their guests as a part of their studies on "Appalachian Culture" at Rio Grande College.

Kayettes

We would like to thank all the women who attended our rush teas. Our fall pledge class consists of the following women: Nancy Kline, Bev Lyons, Patty Hayes, Cindy Setele, Linda Wagner, Linda Forsha, Marianne Acuri, Holly Stern, Barbara Rouse, Renee Orr, Kathy Gledhill, Charlene Griffin, Donna Beaver, Betty Lambert and Alicia Bachman.

The members of Kayettes picked up trash in the pit Tuesday so it would look nice when the teachers parked there Friday.

Donors Needed

One hundred thirty-one prospective donors are needed to give blood Monday, November 13 from 12:15 p.m. to 5:30 p.m. in Davis Dorm.

If 20 percent of the eligible donors in Raccoon Township will give blood, coverage will be given to all of Raccoon Township instead of just Rio Grande students and staff and the village of Rio Grande.

Needed are first time donors — particularly freshmen — and any others who have never given blood (or at least not in the last 56 days). If you can't give because you're underweight, have high blood pressure, or you are taking medicine, then please, please encourage others to give.

The new student chairman is Brenda Smith.

Joining the three students for the presentation will be William Grueser, Rock Springs area resident, who creates the fascinating dulcimer as a hobby. Mr. Grueser will display some completed dulcimers as well as some in various stages toward completion. Also joining the students to assist with the program will be Kenneth Ward of Vinton. Ward plays the dulcimer and is

Wrestling Club Looks Bleak

By Dr. Wolfe

After three weeks of hard practice, the once expected fifteen to twenty man wrestling squad has reduced abruptly to four members. It appears to be the same old story whereby at first many students "think" they want to wrestle but in reality they don't. Wrestling involves complete dedication and a deep desire to participate. These qualities are very hard to find in quantity on such a small campus as Rio Grande.

At this time the Rio Grande Wrestling Club is asking for recruits. If you have never wrestled, we will teach you. Wrestling offers a lot for fellows. If you have any interest, give it a try. See Mark Easter, Dr. Bruce Curtis, or Dr. George Wolfe today! Don't allow a potentially good sport for our campus be left in the cold!!

BLOODMOBILE CHALLENGE

The Pledges of Lambda Omicron Psi would like to challenge all fraternity and sorority pledge classes to donate to the bloodmobile on November 13, 1972.

Our pledge class will be donating 100 percent.

Can your pledge class do the same?

Let Rio represent District 22 in the Nationals!

This week marks the initiation of two new intramural activities. On Wednesday a co-education Billiard Tournament began. Each team represents a male and female faculty and-or student member who alternate shots in the game of "eight ball." The following eight teams are represented in the tournament:

Ken Sanders - Nancy Thompson, Ron Harris - Pam Jenkins, Bruce Melton - Becky Anderson, John Godinsky-Mary Arcuri, Mr. Sofranko - Mrs. Sofranko, Dr. Curtis - Miss Lewis, Kevin Honnold - Deborah LaDuca.

Two out of three games comprise a match. Games are being played at the Billiard Room each Wednesday evening at 8 p.m.

ONE-ON-ONE BASKETBALL

A one-on-one basketball tourney began Thursday. Thirty-three entries saw action. The tournament will be played each Thursday evening and should extend through the next five weeks. The following students represent this tournament: Dave Drew, Ed Sayre, Barry Stamm, Bill Canfield, Bruno Simonelli, Bob Caldwell, Don Saunders, John Godinsky, Ron Farnham, John McKinley, Terry McCain, Tom Driscoll, Ken Sanders, Fred Knick, Craig Myers, Al Makue, Mike Gross, Norm Persin, Bob Robinson, Jim Johnston, Ron Boggs, Mark Snyder, Steve Herrington, Rick Conley, Jeff Sheets, Harry Hairston, Ray McKinnis, Bruce Kinloch, Ron Harris, Jeff

Schneider, Fred Smith, Ken Sanford and Howie Caldwell.

The tournament is a double elimination which allows a loser to get a second chance. Anyone who loses a game moves into losers bracket (moves to left) and as one continues to win, they remain in the winners bracket (moves right). Winners bracket can gain a first or second place while the losers bracket can gain a third or fourth place. Anyone losing twice in the tournament is eliminated.

FACULTY RACKETBALL

The Faculty Racketball Tournament is now half over while another four weeks remain in tournament play. At this point the latter tournament finds Dr. Burt Brunner in first place, Dr. Clyde Evans in second place, and Dr. Bruce Curtis in third place.

POWDER-PUFF FOOTBALL

In Powder-Puff football action, Team 4 defeated Team 5 by a score of 14-0. Cindy Anderson and Jo Ann Hartoonian hauled in TD passes from Deb LaDuca. LaDuca also

scored a safety.

Team 1 defeated Team 4 by a score of 22-6. Team 1 first score came as Kathy Sedinger scrambled in for the TD, and then hit Chic Penn with a pass for the extra points. After holding Team 4, Team 1 scored again as Sedinger hit Mert Arcuri for the TD and the extra points. Team 4 then drove down the gridiron to a first down and goal on the six, but Team 1 put up a brilliant goal line stand, holding their opponents and thus receiving back the ball. On the first play Sedinger hit Chic Penn with a 45-yard pass to give Team 1 some breathing room. Team 4's defense stiffened, holding for the first three downs. On fourth down, however, the defense crumbled as Sedinger scrambled for the touchdown.

Cross Country

The Redmen took second place in the Mid-Ohio cross country championship as Malone College romped off with the championship. Malone captured seven of the top ten individual spots, with Rio Grande taking the other three spots.

Malone finished with a total of 19. Rio Grande was next with 43, while Cedarville finished third with 73 and Urbana finished fourth with 118.

Malone's Bill Scholl won the individual title as he broke Cedarville's five mile course record with a time of 26:30. Scholl, who also won the title in 1970, led the torrid pace that saw the nine top runners all break the old Cedarville course mark of 28:08.

Rounding out the top ten runners were: Rick Horton, Malone — 26:51; Jackie Finch, Rio Grande — 26:58; Dave Bender, Malone — 26:59; Wendell Skelley, Malone — 27:01; Ken Sanders, Rio Grande — 27:16; Terry Dugan (the 1971 defending champion), Malone — 27:20; Bob Gazrell, Malone — 27:37; Bruce Melton, Rio Grande — 28:06, and Ric Thompson, Malone — 28:23.
