

SOUTHEASTERN OHIO SAFETY COUNCIL ENROLLMENT FORM

Southeastern Ohio Safety Council (SOSC) is one of more than 80 regional safety councils across Ohio, sponsored by the Ohio Bureau of Workers' Compensation (BWC). Primarily serving employers throughout Gallia, Jackson, Meigs, and Vinton counties, SOSC brings together a diverse membership of nearly 50 organizations all committed to strengthening workplace health, wellness, and safety.

SOSC members gain access to practical training, prevention strategies, and industry best practices while also having the opportunity to earn financial rebates and reduce workers' compensation costs through active participation. To qualify, members earn at least 10 safety council credits between July 1 and June 30.

Application Date: _____
