Mobile Devices & Student Space

- Student|Space does not currently have a dedicated mobile app.
- Please use a web browser on a computer or laptop for proper viewing and usage.

Student|Space & the Future

- Rio Grande is currently reviewing the internal business processes and workflows to determine the best path for our future.
- From applications, through acceptance and class registrations to commencement and beyond, software business applications will be developed for secure protection of our student information and data, ease of use (think mobile) and for providing Rio Grande improved analytics supporting data driven institutional decisions.
- Stay tuned for updates and more information as we move forward.
