1. How much PLUS loan do you want to borrow for the 2019-2020 school year?

I want to borrow \$ _____ for 2019-2020 (Dollar Amount Required)

2. Does URG have your permission to hold a credit balance on your student's account resulting from this PLUS loan (Title IV Aid) to help pay for educational-related charges that have been, or will be charged to their account by URG during the current award year or loan period?

Why do we ask this? The government requires URG to obtain your permission to hold a credit balance on a student's account created from Title IV aid (the PLUS loan in this case.) **Tip:** Checking the "yes" box allows URG to hold the credit on the student's account to help pay for upcoming charges for 2019-2020 (Side note: Even if you check the "yes" box, you can always request a refund if there is a credit on the account; we just need your permission to hold a credit on the account.) Checking the "no" box may result in owing a balance if charges are added after the credit has been refunded to you. (Owing a balance will prevent your student from pre-registering for classes for the next term.)

YES NO (A "YES" or "NO" answer is required)

3. If you answered "no" above, do we have your permission to refund the credit balance directly to the student?

YES NO (A "YES" or "NO" answer is required)

Amount, Fees, Disbursement and Repayment

How much can I (the parent) borrow?

You can borrow any amount up to your son or daughter's Cost Of Attendance (COA), minus any other aid they're receiving. The COA is a general budget, which factors in typical student costs (tuition, fees, room, board, books, miscellaneous expenses, etc.)

For example: COA = \$38,000

And your student's grants, scholarships, and loans = \$18,000

The total you could apply for in a PLUS loan for 2019-2020 would = \$20,000.

Does the government charge a fee for the PLUS loan?

Yes, the government takes out a 4.248% loan fee upfront. See the Direct PLUS Loan MPN for more details.

Parent (PLUS) Loan

Parent Plus Loan Facts

The 2019-2020 PLUS loan application is also available at <https://studentloans.gov>. This online application is available to any incoming freshmen and returning upperclassmen students for the 2019-2020 academic year. A parent can borrow the total estimated cost of attendance less the student's total financial aid (on the award letter). If more than one parent wants to borrow a parent loan for the same student, each parent must complete a separate application and Master Promissory Note.

Interest Rates & Repayment

Parent borrowers may choose to begin repayment 60 days after the last Plus disbursement or defer payments until six months after the date the student ceases to be enrolled at least half-time. Parents may also choose when to repay the accruing interest.

- Keep in mind that the PLUS loan interest rate is fixed at 7.6%.
- The U.S. Depart. of Ed will charge an origination fee of 4.248%.

Credit Check

If your application is denied, you will be notified from the Dept. of Education the reason for the credit decision. You have several options available to you. Please contact our financial aid office (740) 245-7218 if you are choosing one of the options below.

- You may appeal the credit decision if you have extenuating circumstances.
 - Please contact the Dept. of Education at (800) 557-7394 and Equifax (their credit bureau) at (800) 685-5000.
- You may have a third party endorser co-sign the PLUS loan application with you.

If you choose from these two options, the parent must complete a PLUS Loan Counseling session online at www.studentloans.gov.

If you choose not to pursue any of the options, your student can apply for additional unsubsidized loan funds based on the denial.

Student Eligibility

A student must meet the following requirements before any PLUS Loan proceeds can be disbursed.

- Enrolled at least half time (six credit hours)
- Enrolled in a degree-seeking program
- Making Satisfactory Academic Progress (SAP)

Parent PLUS loan vs. Alternative Student Loans

The main advantage of the PLUS loan is the interest rate. It is fixed at 7.6%. The common interest rate on an alternative loan can range anywhere from 9% - 15%, or higher! And it's variable for alternative loans.
