The Selective Service System requires that most males from age 18 through 25-including permanent residents and other eligible non-citizens register with the Selective Service. Anyone required to register with Selective Service must have done so in order to be eligible for federal financial aid. As required by the Higher Education Act, the US Department of Education electronically matches FAFSA's with registration records from the Selective Service System.

Please indicate the status of your selective service registration below:

I have already registered with Selective Service
 Please provide your selective service number here: _____

I have not registered with Selective Service
 Please explain the reason that you have not registered for Selective Service:

Complete the Request for Status Information Letter (located online at www.sss.gov/pdfs/infoform.pdf) and mail it the Selective Service system.

- I am not yet 18 years of age, but will provide my selective service number upon registration.
- I am not registered, but was on active duty in the armed forces
 A copy of the DD Form 214, 'Certificate of Release or Discharge from Active Duty' is needed to confirm this. Active duty does not include the reserve forces, the delayed entry pool, or the National Guard.
