**Indicators Used**

<b>INDICATOR</b>	<b>DESCRIPTION AND HOW IT WAS CALCULATED</b>
<p>End-of-Program Comprehensive Examination (Peregrine Business Common Professional Component for Associate Assessment)</p>	<p>The Peregrine exam is required in the last semester of every associate degree candidate. Peregrine provides a reporting system that provides a results of aggregate test scores by area for URG students and other US public community college students. These result areas include accounting, business ethics, economics, economics-macroeconomics, economics-microeconomics, information management, management, human resource management, operation/production management, organizational behavior, and marketing. This report is used to create a spreadsheet showing the difference between URG students and national students to verify whether URG students met the performance target of being at or above the national average. For areas not met, Peregrine detailed reporting is used to find out which topics within specific areas were below average to investigate deeper and create an action for improvement plan.</p>
<p>End-of-Program Comprehensive Examination (Peregrine Business Common Professional Component for Bachelor Assessment)</p>	<p>The Peregrine exam is required in the last semester of every bachelor's degree candidate.
