# Notice of Benefit Requirement

1. Student receiving VA Education Benefits should immediately report the last day of attendance to the University of Rio Grande Veterans Affairs Representative if they stop attending a course before the course is completed.
2. Enroll **only** in courses that are applicable to your degree program. You will be held liable for repayment of money to the VA for any course(s) which cannot be applied toward your degree program.
3. If there is any change in your enrollment status (i.e. dropped/added courses, enrollment withdrawal, etc.) you **MUST** notify the University of Rio Grande Veterans Affairs Representative immediately so your hours can be adjusted with the VA. You, the student, are responsible for all debts to the Department of Veterans Affairs that may result due to an increase or decrease in the number of credit hours you are enrolled in.
4. You **MUST** provide a copy of your Course Schedule, each semester that you intend to utilize your Education Benefit, to the University of Rio Grande Veterans Affairs Representative.
5. These grades will impact your Education Benefits and Monthly Housing Allowance (if applicable):

**N** - No grade; no benefit eligibility

**U** - Unsatisfactory performance; benefits *may* be affected

**I** - Incomplete; course cannot be repeated with benefits until the "I" grade has been changed

## Please Note:

To receive benefits, this form (VA Enrollment Form) and a copy of your Course Schedule **MUST** be provided to the University of Rio Grande Veterans Affairs Representative each semester. Your signature indicates: (1) your affirmation that the information on this form (VA Enrollment Form) is true and correct; (2) that you agree to observe the requirements outlined in the Notice of Benefit Requirements listed above.

- If the Department of Veterans Affairs or the Department of Defense is paying for your tuition and does **Not** cover 100% of your tuition and fees then you must pay the difference. The only exception to this is if you are receiving any other type of financial aid that may pay the difference for you.
- If you are using Chapter 30, 35, or 1606 then your bill **MUST** be paid before you attend classes.
